

SAFE SUPPLIES AND NALOXONE DELIVERY

Berkshire
Harm Reduction

Access supplies safely through Berkshire Harm Reduction's new delivery service. We have flexible hours and make deliveries Monday-Friday to any location across the county. We can also pick-up and dispose of used equipment or supplies in a responsible and safe way.

IT'S EASY AND IT'S FREE.

STEP 1

Text or call **413-822-6876** with your location (including address, city, and zip code) and a list of the supplies you need.

STEP 2

A member of the team will coordinate with you and drop off a bag of supplies at your requested location. They will text you when they have arrived.

Current Inventory Includes:

- Naloxone or Narcan, which reverses the effects of an opioid overdose
- Fentanyl test strips
- Clean works for all modes of consumption (for example, syringes, crack kits, snorting kits, tourniquets, alcohol wipes, and more)
- Condoms and lube
