**PUBLIC HEARING  
TOWN OF ADAMS  
ADAMS CONSERVATION COMMISSION  
Revised 11/1/21**

The Conservation Commission will hold a public hearing pursuant to M.G.L., c.131, §40, the Wetlands Protection Act on Thursday, November 4, 2021 at 6:30 P.M. in the Mahogany Room, 1<sup>st</sup> Floor Town Hall, 8 Park Street to act on the following:

**CALL TO ORDER:**

**APPROVAL OF MINUTES:** The Board members need to approve the minutes of August 26, 2021.

**REQUEST FOR CERTIFICATE OF COMPLIANCE:** filed by Tighe & Bond on behalf of the New England Power Company requesting requests the issuance of a Certificate of Compliance (COC) for work conducted in compliance with an Order of Conditions (OOC) (MassDEP File # 086-0143) issued on May 22, 2018 by the Adams Conservation Commission for activities associated with the replacement of Structure (STR) 85 along electrical transmission Line J10 between Zylonite Station Road and East Road in Adams, Massachusetts. The project entailed the replacement of STR 85 to improve the safety and reliability of the electrical transmission line.

**NOTICE OF PROJECT CHANGE:** On behalf of New England Power Company (NEP), Tighe & Bond is submitting a Notice of Project Change (NPC) for the Hoosic River Structure Replacement Project (EEA #16273), formerly the Hoosic River Bank Stabilization and Erosion Control Project. The project has been re-designed to avoid impacts to Bank and work within the Hoosic River, while still protecting the critical transmission infrastructure.
