

# PUBLIC MEETING

## SHARE YOUR IDEAS FOR REDUCING RISK TO NATURAL HAZARDS AND CLIMATE CHANGE

Do you wonder if Adams can flood, experience a tornado, or have an earthquake? What can prevent those natural hazards and climate change from wreaking havoc in our community?

Join our **second public meeting** to learn about this important project and to **share your ideas** for making Adams **more resilient** to natural hazards and climate change.

**03/26/2024**

6:00 pm – 7:00 pm

Join In-Person at the Visitor Center (COA) or via Zoom!

Adams has formed a Hazard Mitigation Planning Committee to identify projects to mitigate the risks caused by natural hazards and climate change.

The Town is working with a consultant hired by the Massachusetts Emergency Management Agency to develop a Hazard Mitigation Plan that will be approved by the Federal Emergency Management Agency and adopted by the Town. This plan allows Adams to apply for pre- and post-disaster mitigation funds.
