Jordan Street Culvert Replacement Project Open House Meeting

Wednesday, March 27th from 4:00-6:00pm
in the Town Hall Selectmen's Room (1st floor)

RECEIVED-POSTED
24 MAR 18 PM 1:26
TOWN CLERK
ADAMS, MASS.
CI FRK _____

Drop by Town Hall anytime between 4:00 and 6:00pm on Weds 3/27 to discuss the upcoming replacement of the Jordan Street culvert with Town staff and VHB engineers. The culvert is located behind 17 Jordan Street and carries Miller Brook into Tophet Brook. Several years ago, the culvert walls failed causing the structure to collapse. The Town is preparing to obtain environmental permits for a replacement culvert this spring and hopes to start construction later this year. The project will be funded with a grant from FEMA's Hazard Mitigation Program.

Please contact the Adams Community Development Department (413-743-8300 x173 or ecoughlin@town.adams.ma.us) with any questions you may have.

Town of Adams, 8 Park Street
