

**Town of Adams
Request for Responses
Design Services for Jordan Street Culvert
Replacement Project
RFR #21-008**

The Town of Adams is seeking a consultant to provide engineering services to complete a preliminary hydrologic and hydraulic study and complete the final design and prepare construction documents for the replacement of the Jordan Street Culvert. The Town will utilize FEMA Hazardous Mitigation Grant Funding for the preliminary design, final design and construction work.

The Request for Responses (RFR) is available on or after June 30, 2021 from the Community Development Department, 8 Park Street, 3rd Floor, Adams, MA 01220 Monday through Thursday, between the hours of 8:30 AM and 5:00 PM (Contact: Becky Ferguson, 413-743-8300 x127 or rferguson@town.adams.ma.us). Interested consultants must be licensed and registered in Massachusetts and be able to demonstrate that they meet all requirements as outlined in the project's *Scope of Work*.

Responses must be received no later than **4:00 PM, Thursday, July 22, 2021** at the Adams Town Hall, Town Administrator's Office, 8 Park Street, Adams, MA 01220 and marked "**RFR #21-008: Design Services for Town of Adams Jordan Street Culvert Project.**" All proposals will receive consideration without regard to race, creed, color, age, sex, religion, national origin or disability. The Town of Adams is an Affirmative Action/Equal Opportunity Employer.

Any questions concerning the proposed project should be directed to the Community Development Department between 8:30 AM and 4:00 PM Monday through Thursday by calling (413) 743-8300 x127 or x131.

The Town of Adams reserves the right to accept or reject any or all proposals, to waive any informalities, and to make the award as may be deemed to be in the best interest of the Town.
